

Annex A

under the Screening of Foreign Direct Investments Act (2023:560)

Annex A - Additional information on legal and natural persons in the investor's ownership structure

State the investor or investors to which the notification relates. Information on investor entities in the direct ascending ownership chain must be provided in accordance with ISP's instructions. Also provide this information for other entities with significant roles in the ownership structure, for example natural and legal persons who may in any way influence the governance of the ownership structure. If necessary, attach additional information as an attachment; see the final page of this document.
